

# Hackney Unison Delegate Nomination Form

Please tick the box(es) of the committees/conferences to be nominated to and return to Hackney Unison, Room 40 Town Hall using the internal post.

## Regional Council

The Regional Council meets four times a year, normally in Central London, to make decisions on Unison policy for the Greater London region. Hackney is entitled to send three (3) delegates to this body.

## Regional Local Government Committee

This body meets three times a year to discuss and decide on Unison policy relating to local government matters for the Greater London region. Hackney Unison is entitled to send four (4) delegates to this body

## Regional Health and Safety Committee

This body meets three times a year to discuss and decide on Unison H+S policy for the Greater London region.

## Hackney Trades Council

The Trades Council is the local branch of the Trades Union Congress (TUC) and is made up of delegates from all local trades unions. It meets monthly to discuss ongoing campaigns and local trade union matters. Hackney Unison is entitled to send five (5) delegates to this body.

## Conferences

The National and Local Government conferences are held once a year and are attended by delegates from every branch in the country. They are the most important decision making bodies for the union and set Unison policy nationally for the coming year. Conference also decides on rule changes to the national rules of the union. The conference is in mid June and is being held this year in Bournemouth. All travel, accommodation and expenses are paid by the union and paid time off is given to delegates by the Council, Hackney Homes and Learning Trust.

## National Delegate Conference

The National Delegate Conference decides on national Unison policy for the coming year.

## National Local Government Conference

Local Govt Conference decides on national Unison policy relating to Local Government matters
